Introduction

This booklet provides a list of the BlueCare Plus network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and BlueCare Plus formulary.

When this pharmacy directory refers to “we,” “us,” or “our,” it means BlueCare Plus Tennessee. When it refers to “plan” or “our plan,” it means BlueCare Plus.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 8/2/18. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

How Do You Find BlueCare Plus Network Pharmacies in Your Area?

Pharmacies are listed in sections by pharmacy type. Within each section, the pharmacies are listed alphabetically by county then city. The pharmacies in this directory can be used to obtain Medicare Part B and Part D drugs, as made available by the individual pharmacy.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Mail Order Pharmacies

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Express Scripts PharmacySM home delivery program.

If you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us by calling Member Service at **1-800-332-5762**.

If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, please contact us 21 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs from 7 to 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at **1-800-332-5762**, TTY: **711**.

Home Infusion Pharmacies

Home infusion pharmacies specialize in the preparation of medications that are administered intravenously or by injection. We have contracted with several home infusion pharmacies to be network pharmacies and dispense home infusion drugs.

BlueCare Plus will cover your home infusion therapy if:

- + BlueCare Plus has approved your prescription drug for home infusion therapy. Some home infusion therapy medications may require prior authorization, and
- + Your prescription drug is on the BlueCare Plus formulary or you have a formulary exception, and
- + Your prescription is written by a provider that is authorized to prescribe medications.

To find out more, please visit our website at **bluecareplus.bcbst.com** or call Member Service at **1-800-332-5762**, TTY: **711**.

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under BlueCare Plus through the facility's long-term care pharmacy or another network long-term care pharmacy. An in-network long-term care pharmacy provides medications to residents of in-network long-term care facilities (such as nursing homes and residential care facilities, mental health facilities, hospices, and long-term care or skilled nursing care beds in hospitals).

Usually, a long-term care facility (LTC) (such as a nursing home) has its own pharmacy, or a pharmacy that supplies drugs for all of its residents. If you are a resident of a long-term care facility, you may get your prescription drugs through the facility's pharmacy as long as it is part of our network.

To find out more, please visit our website at **bluecareplus.bcbst.com** or call Member Service at **1-800-332-5762**, TTY: **711**.
