2023 BlueCare Plus (HMO D-SNP)SM Dual Eligible Special Needs Plan

**Welcome! We're glad
you're with us.**

WELCOME

We're here for you

Wouldn't it be nice to have someone who knows you? Someone to help you talk to your doctors? Someone who could help you with questions about your health and tell you how your medications work together? Someone to help you with things your doctors said you need to be doing?

We're your care team, and that's exactly what we do.

REWARDS & INCENTIVES

Stay healthy. Earn gift cards.

You've got another good reason for taking care of your health.

We'll send you a gift card for getting certain preventive screenings as part of our rewards and incentives program.

We've included a list of some of the screenings included in this program below. Not everyone needs all of them. So you'll only earn gift cards for the ones you're eligible for based on your age, health history, and past screenings and rewards.

Preventive screenings in our rewards and incentives program include:

- ☐ Completion of the Health Needs Assessment
- ☐ Annual Wellness Visit
- ☐ Colorectal cancer
- ☐ Breast cancer
- ☐ Some diabetic screenings and tests (such as an annual HbA1c test, retinal eye screening and urine test)

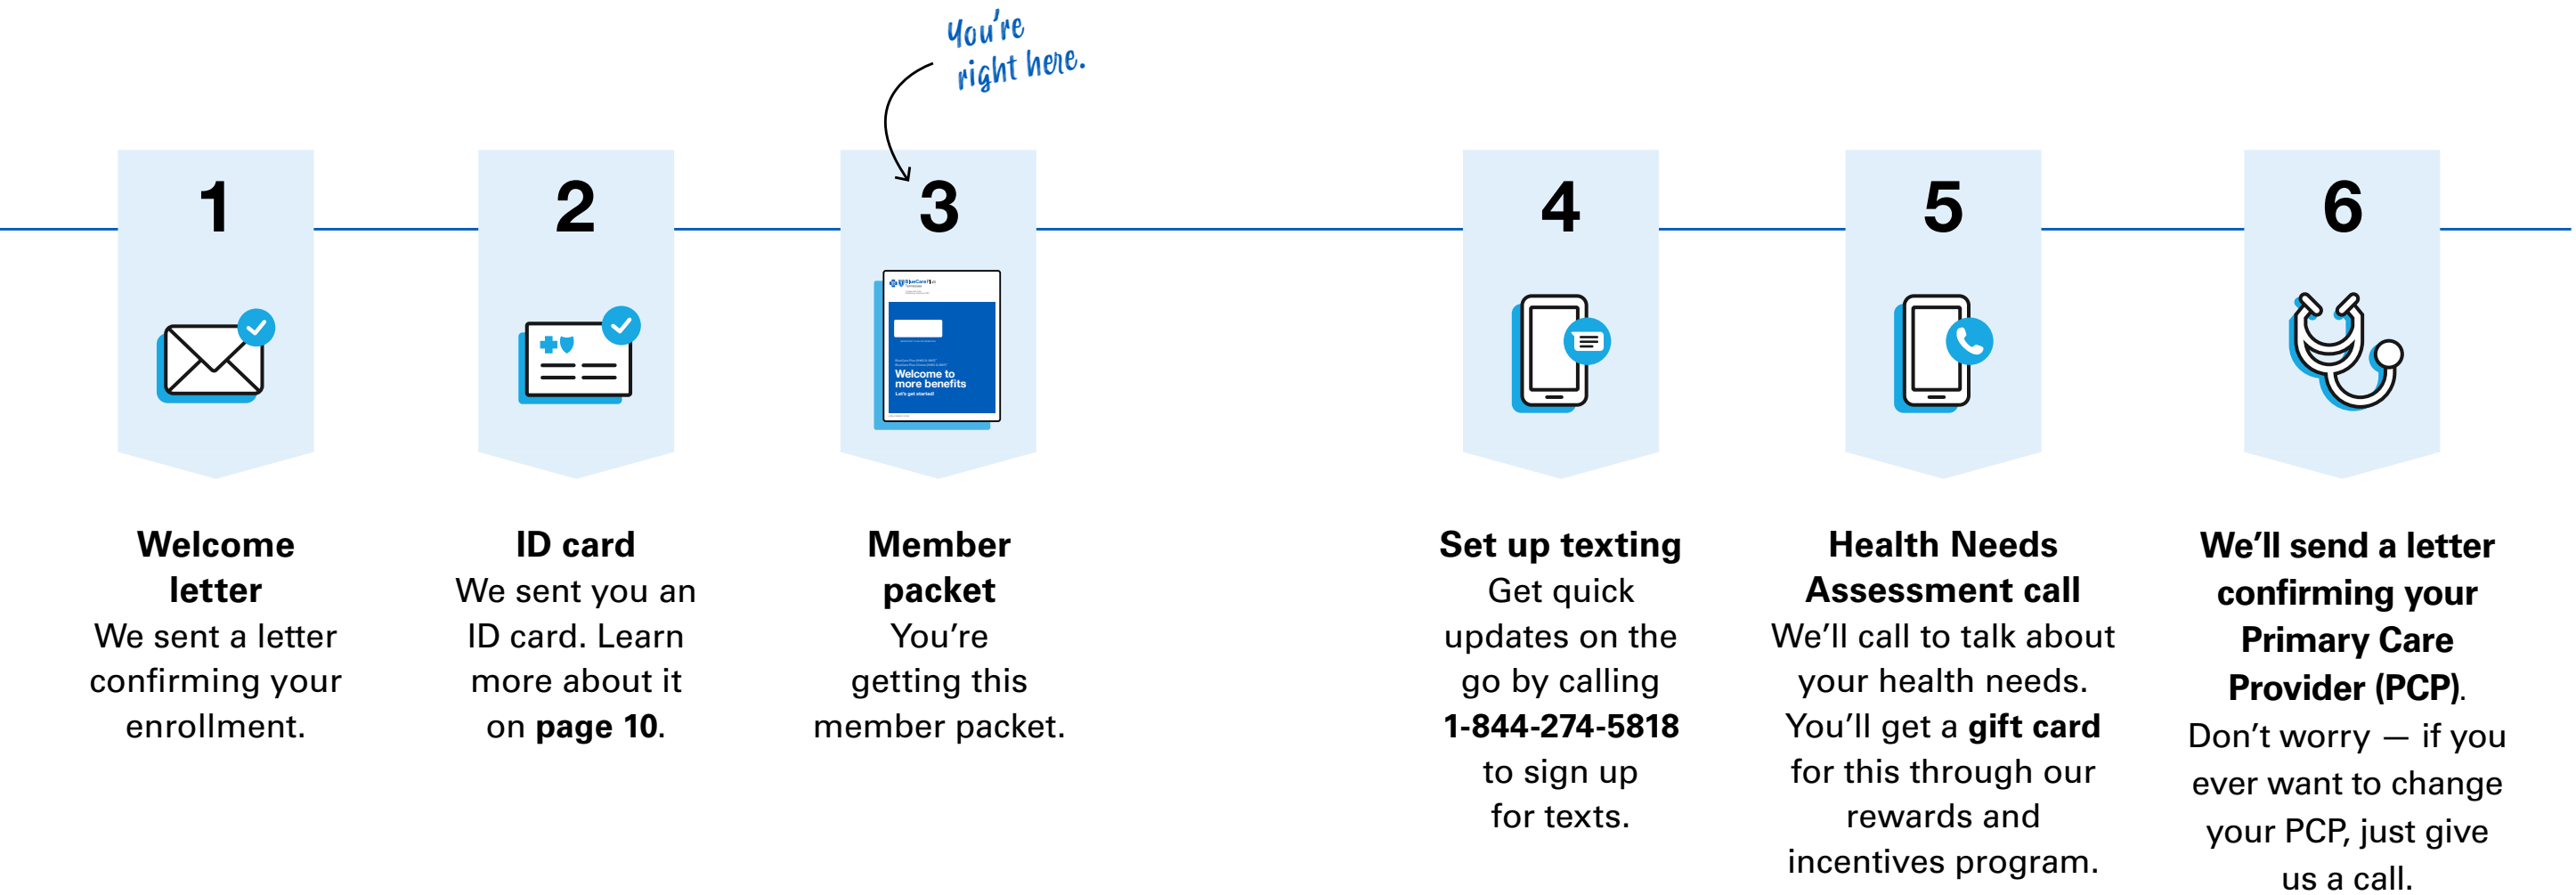

Questions? Give us a call. We can tell you about these screenings, which ones you're eligible for and what limitations apply. The screenings listed here are for the 2023 plan year.

Let's get started!

 **For you.**
With you.

We want to make getting started with your plan as easy as possible. Here's what you can expect.

PART D

Your prescription drug benefits

Our BlueCare Plus Select plan has **\$0** drug deductibles and copays. That means you pay nothing for a 30- or 90-day supply of covered drugs at a pharmacy in our network. This includes both generic and brand name drugs.

For more info on what drugs we cover, see our covered drug list (also called a formulary). You can find it online at bluecareplus.bcbst.com/pharmacy. Or just give us a call.

PART D

Important things to know

We want to make using your pharmacy benefits as easy as possible. And that means getting to know some ins and outs of your Medicare Part D prescription drug coverage.

1

How We Provide Your Coverage

CVS Caremark® helps us manage your prescription drug coverage. They may contact you from time to time, so please open any mail you get from them as if it were from us.

We may also mention CVS if you need to do something with them. This doesn't mean you have to use a CVS Pharmacy®. You have many choices for nearby pharmacies in our network. This includes mail order, local pharmacies, national retail drugstores and many grocery store pharmacies.

You may hear from CVS.

2

Our Pharmacy Network

Just like with providers, your plan has a pharmacy network. In most cases, your prescription drugs are covered only if they're on our drug list and they're filled at a network pharmacy or through our mail order pharmacy service.

3

Generic vs. Brand Name Drugs

According to the U.S. Food and Drug Administration (FDA), a generic drug is an approved drug that has the same active ingredients as the brand name drug.

4

What Are Prior Authorization and Step Therapy?

Prior authorization means you'll need to get approval from us before we'll cover the drug for you. If you don't get this approval, your drug might not be covered. Step therapy means you may need to try a different drug to treat the same condition before we'll cover another drug.

ONE CARD. MULTIPLE BENEFITS.

Your flex card

We make it easier to get the things you need. We give you one prepaid card to use for multiple plan benefits.

If you haven't got your flex card yet, don't worry. You'll get yours soon.

Dental, Hearing and Vision

Get a **\$3,800 combined yearly allowance** for the dental, hearing and vision services we cover.

This includes:

- › The comprehensive dental services listed on **page 9**
- › Your annual hearing exam with a TruHearing® provider
- › One TruHearing Advanced hearing aid per ear, per year (batteries included)
- › Glasses, frames and contacts

Housing Utilities

Get a **\$50 monthly allowance** for plan-approved housing utilities. If you're eligible, you can use this allowance to pay for utilities like water, natural gas, electric and cable/internet.

Healthy Food and OTC Items

Get a **\$200 monthly allowance** for approved healthy food and over-the-counter (OTC) items. This includes wellness products like vitamins and cold medicine. And if you're eligible, it also includes food like fruit, veggies, canned goods, dairy products and more.

Benefit limits, exclusions and eligibility requirements may apply. Please see your Evidence of Coverage for full details. Or give us a call.

DENTAL CARE

Your supplemental dental benefits

We can help you keep your smile healthy. That's why we cover routine dental services — like cleanings X-rays and exams — at no cost to you. We also give you a **\$3,800** combined allowance you can use for these comprehensive dental services:

- › Fillings
- › Extractions
- › Dentures

This list is not all-inclusive. Benefit limits may apply. You can find more info on your dental coverage in the Dental Benefit Guide and your Evidence of Coverage. Or give us a call.

Give us a call before you have any treatment.
We can tell you if it will be covered.

HEALTH INSURANCE CARDS

Your ID cards

Here’s a quick guide to what health insurance cards you might need to keep in your wallet.

You may not have all of these cards, so don't worry about the ones you don't recognize.

1

Carry with you.

2

Don’t forget your flex card!

You can use your flex card for multiple plan benefits. So you’ll want to carry it with you too.

3

Medicaid card
(from a plan like BlueCare Tennessee)

4

QMB or “Extra Help” card
(the pink card)

5

Medicaid Pharmacy Card
(If under age 21)

Leave at home in a safe place.
