PART D

# Your prescription drug benefits

Our BlueCare Plus Select plan has **\$0** drug deductibles and copays. That means you pay nothing for a 30- or 90-day supply of covered drugs at a pharmacy in our network. This includes both generic and brand name drugs.

For more info on what drugs we cover, see our covered drug list (also called a formulary). You can find it online at [bluecareplus.bcbst.com/pharmacy](https://bluecareplus.bcbst.com/pharmacy). Or just give us a call.

1

## How We Provide Your Coverage

CVS Caremark® helps us manage your prescription drug coverage. They may contact you from time to time, so please open any mail you get from them as if it were from us. We may also mention CVS if you need to do something with them.

This doesn't mean you have to use a CVS Pharmacy®. You have many choices for nearby pharmacies in our network. This includes mail order, local pharmacies, national retail drugstores and many grocery store pharmacies.

*You may hear from CVS.*

2

## Don't Forget Mail Order

Getting your prescriptions by mail could help save you time and money. Call us, and we can help you get set up with mail order.

## PART D

# Important things to know

We want to make using your pharmacy benefits as easy as possible. And that means getting to know some ins and outs of your benefits.

## Generic vs. Brand Name Drugs

Our covered drug list has brand name and generic drugs. According to the U.S. Food and Drug Administration, a generic drug is an approved drug that has the same active ingredients as the brand name drug.

## Our Pharmacy Network

Just like with providers, your plan has a pharmacy network. In most cases, your prescription drugs are covered only if they're on our drug list and they're filled at a network pharmacy or through our mail-order pharmacy service.

## What Are Prior Authorization and Step Therapy?

Prior authorization means you'll need to get approval from us before we'll cover the drug for you. If you don't get this approval, we may not cover your drug. Step therapy means you may need to try a different drug to treat the same condition before we'll cover another drug.

ONE CARD. MULTIPLE BENEFITS.

# Your flex card

We help make it easier to get the things you need. We give you one prepaid card to use for multiple plan benefits.

*If you haven't received your flex card yet, don't worry. You'll get it soon.*

## Healthy Food, Over-the-Counter (OTC) Items, Housing Utilities and Transportation

You can get a **\$275 monthly allowance** for approved healthy food, OTC items, housing utilities and transportation. This includes wellness products like vitamins and cold medicine. It also includes food like fruit, veggies, canned goods, dairy products and more. Housing utilities can include items like water, natural gas, electric and cable/internet. And it includes a transportation benefit through Uber Health.\*

Allowance doesn't roll over from month to month. Benefit limits, exclusions and eligibility requirements may apply. Please see your Evidence of Coverage for full details. Or give us a call.

\*Transportation through Uber Health available to Medicare-covered benefit locations your TennCare (Medicaid) benefits don't cover.

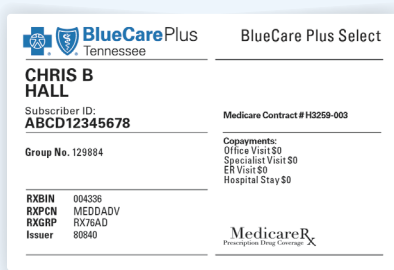

## HEALTH INSURANCE CARDS

# Your ID cards

Here's a quick guide to what health insurance cards you might need to keep in your wallet.

1

## Carry with you.

Your BlueCare Plus Select health plan should be your first (or primary) insurance now. That means you'll always show this ID card when you get care or pick up prescriptions.

2

## Don't forget your flex card!

You can use your flex card for multiple plan benefits. So you'll want to carry it with you, too.

*You may not have all of these cards, so don't worry about the ones you don't recognize.*

Carry these with you, too. Show them along with your BlueCare Plus card.

3

**Medicaid card**  
(from a plan like BlueCare Tennessee)

4

**QMB or "Extra Help" card**  
(the pink card)

5

**Medicaid Pharmacy card**  
(If under age 21)

**Leave at home in a safe place.**

Original Medicare (or red, white and blue) card
