## A. Disclaimers

BlueCare Plus Tennessee is an HMO Dual Eligible Special Needs Plan (D-SNP) with a Medicare contract and a contract with the Tennessee Medicaid program. Enrollment in BlueCare Plus Tennessee depends on contract renewal.

TennCare(Medicaid) is not responsible for payment for these benefits, except for appropriate cost sharing amounts. TennCare(Medicaid) is not responsible for guaranteeing the availability or quality of these benefits.

References to more, extra, additional or otherwise enhanced benefits BlueCare Plus Tennessee offers are applicable only to Medicare benefits, not Medicaid benefits.

The BlueCare Plus plan has a network of doctors, hospitals, pharmacies and other providers. If you use providers who aren't in our network, the plan won't pay for these services, unless authorized in advance or in emergency situations. Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call us at the toll-free number at the bottom of this page or see your *Evidence of Coverage* for more information, including the cost-sharing that applies to out-of-network services. This plan doesn't require referrals to see specialists in the BlueCare Plus Tennessee network.

The healthy food benefit listed is a special supplemental benefit for members with certain chronic conditions. Qualifying chronic conditions include, but aren't limited to, cardiovascular disorders, diabetes mellitus, obesity, chronic lung disorders and chronic gastrointestinal disorders. Additional qualifying conditions exist. See plan materials for a complete list. Not all members (even those with a qualifying condition) qualify. Eligibility is based on meeting the CMS definition of "chronically ill enrollee" and all applicable plan coverage criteria.

You'll still be in the Medicare and TennCare programs as long as you're eligible.

### Changes to our *Drug List*

An updated *List of Covered Drugs* is located on our website at [bluecareplus.bcbst.com](http://bluecareplus.bcbst.com). You may also call Member Service at the numbers at the bottom of the page for updated drug information or to ask us to mail you a *List of Covered Drugs*. The *List of Covered Drugs* is also called the *Drug List*.

We made changes to our *Drug List*, which could include removing or adding drugs, changing drugs we cover and changes to the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier.

Review the *Drug List* to **make sure your drugs will be covered next year** and to find out if there are any restrictions or if your drug has been moved to a different cost-sharing tier.

Most of the changes in the *Drug List* are new for the beginning of each year. However, we might make other changes that are allowed by Medicare and/or the state that will affect you during the calendar year. We update our online *Drug List* at least monthly to provide the most up to date list of drugs. If we make a change that will affect a drug you're taking, we'll send you a notice about the change.

If you're affected by a change in drug coverage, we encourage you to:

- Work with your doctor (or other prescriber) to find a different drug that we cover.
  - You can call Member Service at the numbers at the bottom of the page to ask for a *List of Covered Drugs* that treat the same condition.

OMB Approval 0938-1444 (Expires: June 30, 2026)

**If you have questions**, please call BlueCare Plus Tennessee at 1-800-332-5762, TTY 711, From Oct. 1 to Mar. 31, you can call us 7 days a week from 8 a.m. to 9 p.m. ET. From Apr. 1 to Sept. 30, you can call us Monday through Friday from 8 a.m. to 9 p.m. ET. The call is free. **For more information**, visit [bluecareplus.bcbst.com](http://bluecareplus.bcbst.com).

- This list can help your provider find a covered drug that might work for you.
- Ask us to cover a temporary supply of the drug.
  - In some situations, we'll cover a **temporary** supply of the drug during the first 90 days of the calendar year.
  - This temporary supply is for up to 30 days. (To learn more about when you can get a temporary supply and how to ask for one, refer to **Chapter 5** of your *Evidence of Coverage*.)
  - When you get a temporary supply of a drug, talk with your doctor about what to do when your temporary supply runs out. You can either switch to a different drug our plan covers or ask us to make an exception for you and cover your current drug.

If we approve your request for an exception, our approval usually is valid until the end of the plan year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition. You will need to call Member Service at the toll-free number at the bottom of this page to request an exception for the upcoming plan year.

Starting in 2026, we may immediately remove brand name drugs or original biological products on our Drug List, if we replace them with new generics or certain biosimilars versions of the brand name drug or original biological product on the same or lower cost-sharing tier with the same or fewer rules. Also, when adding a new version, we can decide to keep the brand name drug or original biological product on our Drug List, but immediately move it to a different cost-sharing tier or add new rules or both.

For example, if you take a brand name drug or biological product that's being replaced by a generic or biosimilar version, you may not get notice of the change 30 days in advance, or before you get a month's supply of the brand name drug or biological product. You might get information on the specific change after the change is already made.

Some of these drug types may be new to you. For definitions of drug types, please go to Chapter 12 of your Evidence of Coverage. The Food and Drug Administration (FDA) also provides consumer information on drugs. Go to the FDA website:

[www.fda.gov/drugs/biosimilars/multimedia-education-materials-biosimilars#For%20Patients](https://www.fda.gov/drugs/biosimilars/multimedia-education-materials-biosimilars#For%20Patients).

You can also call Member Service at the number at the bottom of the page or ask your health care provider, prescriber, or pharmacist for more information.

### Changes to drug costs

There are two payment stages for your Medicare Part D drug coverage under BlueCare Plus. How much you pay depends on which stage you're in when you get a prescription filled or refilled. These are the two stages:

OMB Approval 0938-1444 (Expires: June 30, 2026)

**If you have questions**, please call BlueCare Plus Tennessee at 1-800-332-5762, TTY 711, From Oct. 1 to Mar. 31, you can call us 7 days a week from 8 a.m. to 9 p.m. ET. From Apr. 1 to Sept. 30, you can call us Monday through Friday from 8 a.m. to 9 p.m. ET. The call is free. **For more information**, visit [bluecareplus.bcbst.com](https://bluecareplus.bcbst.com).

<b>Stage 1</b> <b>Initial Coverage Stage</b>	<b>Stage 2</b> <b>Catastrophic Coverage Stage</b>
<p>During this stage, our plan pays part of the costs of your drugs, and you pay your share. Your share is called the copay.</p> <p>You begin this stage when you fill your first prescription of the year.</p>	<p>During this stage, the plan pays all of the costs of your drugs through December 31, 2026.</p> <p>You begin this stage after you pay a certain amount of out-of-pocket costs.</p>

The Initial Coverage Stage ends when your total out-of-pocket costs for drugs reaches **\$2,100**. At that point, the Catastrophic Coverage Stage begins. Our plan covers all of your drug costs from then until the end of the year. Refer to **Chapter 6** of your *Evidence of Coverage* for more information on how much you'll pay for drugs.

Under the Manufacturer Discount Program, drug manufacturers pay a portion of our plan's full cost for covered Part D brand name drugs and biologics during the Initial Coverage Stage and the Catastrophic Coverage Stage. Discounts paid by manufacturers under the Manufacturer Discount program don't count toward out-of-pocket costs.

### **D3. Stage 1: "Initial Coverage Stage"**

During the Initial Coverage Stage, our plan pays a share of the cost of your covered drugs, and you pay your share. Your share is called the copay. The copay depends on what cost-sharing tier the drug is in and where you get it. You pay a copay each time you fill a prescription. If your covered drug costs less than the copay, you pay the lower price.

We moved some of the drugs on our Drug List to a lower or higher drug tier. If your drugs move from tier to tier, this could affect your copay. To find out if your drugs are in a different tier, look them up in our Drug List.

The following table shows your costs for a one-month supply filled at a network pharmacy with standard copays in each of our 4 drug tiers. These amounts apply **only** during the time when you're in the Initial Coverage Stage.

Most adult Part D vaccines are covered at no cost to you.

For information about the costs of vaccines, or information about the costs for a long-term supply; or for mail-order prescriptions go to **Chapter 6, Section D** of your *Evidence of Coverage*.

### E. Administrative changes

The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket Medicare Part D drug costs by spreading them across **monthly payments that vary throughout the year** (January - December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage Plan with drug coverage) can use this payment option for drugs covered by Part D.

	2025 (this year)	2026 (next year)
<b>Medicare Prescription Payment Plan</b>	The Medicare Prescription Payment Plan is a payment option that began this year and can help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January-December).	If you're participating in the Medicare Prescription Payment Plan and remain in the same plan, you don't need to do anything to stay in the Medicare Prescription Payment Plan.

### F. Choosing a plan

#### F1. Staying in our plan

We hope to keep you as a plan member. You don't have to do anything to stay in our plan. Unless you sign up for a different Medicare plan or change to Original Medicare, you'll automatically stay enrolled as a member of our plan for 2026.

## F2. Changing plans

For your TennCare plan, TennCare members may change their Managed Care Organization (MCO) one (1) time within the initial ninety (90) calendar days from the date of the letter informing them of their MCO assignment. You'll remain a member of the designated MCO until you're given an opportunity to change once each year during an annual change period. The annual change period will occur each year in March for members in West Tennessee, in May for members in Middle Tennessee, and in July for members in East Tennessee. Most people with Medicare can end their membership during certain times of the year. Because you have TennCare you can end your membership in our plan any month of the year

In addition, you may end your membership in our plan during the following periods:

- The **Annual Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The **Medicare Advantage (MA) Open Enrollment Period**, which lasts from January 1 to March 31. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you're eligible to make a change to your enrollment. For example, when:

- you moved out of our service area,
- your eligibility for TennCare or Extra Help changed, **or**
- you recently moved into or are currently getting care in, an institution (like a skilled nursing facility or a long-term care hospital). If you recently moved out of an institution, you can change plans or change to Original Medicare for two full months after the month you move out.

### **Medicare & You 2026**

You can read the *Medicare & You 2026* handbook. Every year in the fall, this booklet is mailed to people with Medicare. It has a summary of Medicare benefits, rights and protections, and answers to the most frequently asked questions about Medicare. This handbook is also available in Spanish, Chinese, and Vietnamese.

If you don't have a copy of this booklet, you can get it at the Medicare website ([www.medicare.gov/Pubs/pdf/10050-medicare-and-you.pdf](http://www.medicare.gov/Pubs/pdf/10050-medicare-and-you.pdf)) or by calling 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

### **G5. TennCare**

TennCare is the state of Tennessee's Medicaid program. It provides healthcare to mostly low-income pregnant women, parents or caretakers of a minor child, children, and individuals who are elderly or have a disability. Have questions about your TennCare coverage? Call your health plan or call TennCare Connect at 1-855-259-0701 or 1-800-848-0298 TTY. Or use the free TennCare Connect member portal at: [www.tennconnect.tn.gov](http://www.tennconnect.tn.gov)

### **G6. The Medicare Prescription Payment Plan**

The Medicare Prescription Payment Plan is a payment option that may help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January-December) as monthly payments. This program doesn't save you money or lower your drug costs.

"Extra Help" from Medicare and help from your state's pharmaceutical assistance program (SPAP) and the AIDS Drug Assistance Program (ADAP), for those who qualify, is more advantageous than participation in the Medicare Prescription Payment Plan alone. All enrollees are eligible to participate in this program, regardless of income level. To learn more about this program please contact us at the phone number at the bottom of this page or visit [www.medicare.gov](http://www.medicare.gov).

## G. Getting help (continued)

### G7. Programs that help pay for Prescription Drugs

You may qualify for help paying for prescription drugs.

- **“Extra Help” from Medicare.** Because you have TennCare (Medicaid), you are already enrolled in “Extra Help”, also called the Low-Income Subsidy. “Extra Help” pays some of your prescription drug premiums, annual deductibles and coinsurance. Because you qualify, you do not have a coverage gap or late enrollment penalty. If you have questions about “Extra Help”, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
  - The Social Security Office at 1-800-772-1213 between 8 am and 7 pm, Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call, 1-800-325-0778; or
  - Your State TennCare (Medicaid) Office (applications)
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. To be eligible for the ADAP operating in your State, individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Ryan White Program (Tennessee’s AIDS Drug Assistance program). For information on eligibility criteria, covered drugs, how to enroll in the program or if you are currently enrolled how to continue receiving assistance, call the Ryan White Program (Tennessee’s AIDS Drug Assistance program) at 1-615-741-7500. Be sure, when calling, to inform them of your Medicare Part D plan name or policy number.
