Frequently Asked Questions about Using Your OTC Benefit

How often can I place an order?

You can place one order per month with a total of three orders per quarter.

For example:

In Quarter 1 (January - March), you place one order that equals your benefit credit amount of \$300.

OR

You use \$65.50 on products in January, then spend \$134.50 in February, and \$100 in March so that all three months' orders add up to your Quarter 1 benefit credit amount of \$300.

Can I use my OTC benefit for items not in the catalog?

No, you can only use your OTC benefit for products in this catalog or on the DrugSource website. We will not pay you back for any OTC products purchased outside of the BlueCare Plus Over-The-Counter Catalog or the DrugSource website.

What happens if I do not use all of my OTC benefit within the quarter?

Your OTC benefit will not carry over from quarter to quarter. Beginning each quarter, you will have \$300 to spend each quarter on OTC items from this catalog or from the DrugSource website.

Can I use the OTC Order Form for prescription drugs?

No, you do not use the OTC Order Form for your prescription drugs. You may only use your OTC benefit for items in this catalog or on the website.

How do I return items?

Due to the personal nature of these products, returns will not be accepted and no refund or credit will be given once items are ordered and mailed.

Who do I contact with Benefit Questions?

You can call BlueCare Plus member service at **1-800-332-5762** (TTY: **711**). From **Oct. 1 to March 31**, you can call us 7 days a week from 8 a.m. to 9 p.m. ET. From **April 1 to Sept. 30**, you can call us Monday through Friday from 8 a.m. to 9 p.m. ET. If you call us outside these hours or on a holiday, our automated system will answer your call. You can leave a message for us, and we will call you back the next business day.

------------------------------	-------------------	-------------------	---

Contains oil from 100% pure Antarctic krill, tiny crustaceans that thrive in the frigid water of the Antarctic. Just one small MegaRed softgel provides an optimal combination of omega-3 fatty acids and powerful antioxidant Astaxanthin to support heart health. Research has shown that omega-3's may reduce the risk of coronary heart disease+. In order for omega-3's to be put to good use, they must first be absorbed by your body. Traditional fish oil floats on top of your stomach, giving that unpleasant fishy aftertaste. Easily mixes in the stomach and doesn't leave unpleased aftertaste. Is easily recognized and utilized by your body's cell membranes, which are also phospholipid, allowing easy absorption. Guaranteed no added sugar (sucrose, fructose, lactose), salt (sodium chloride), yeast, wheat, gluten or milk. No preservatives or artificial colors. Guaranteed for purity, freshness and labeled potency. Includes 65 softgels. +Supportive, but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease. *These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.*
